Education

Odisha University of Technology and Research (CET Bhubaneswar)

B.Tech in Computer Science and Engineering | 2023 - 2027 | CGPA: 9.26

Experience

Member @ Zairza Technical Club

Sept 2023 - PRESENT

Frontend Developer

• I am an active member of Zairza, where I contribute to multiple development projects, gain hands-on experience with diverse technologies, and enhance my problem-solving and collaborative skills through real-world applications.

Projects

IBM Skills Build

June 2024 - Aug 2024

Sustainable Marketplace

ReactJS, Bootstrap, CSS

• Prakriti is an online platform dedicated to promoting eco-friendly, handcrafted home decor products that embody the beauty of traditional craftsmanship and sustainable living. The project aims to connect consumers with artisans who create unique, high-quality items that bring warmth, elegance, and cultural richness into modern homes.

SnipSave

Nov 2024 - Nov 2024

MERN Stack Web Application

ReactJS, NodeJS, ExpressJS, MongoDB

- Built a full-stack code snippet manager using React.js, Node.js, Express.js, and MongoDB. Implemented JWT authentication, syntax highlighting with Prism.js, and features like snippet creation, editing, sharing, search, and sorting. Followed MVC architecture and best security practices. Planned upcoming features: real-time collaboration, analytics, and offline access.
- Contributed to the frontend of this project.

Zairzest 4.0

Nov 2024 - Nov 2024

Annual Tech Fest Platform (OUTR)

ReactJS, Tailwind CSS

Contributed as a Front-end Developer for Zairzest 4.0, handling 600+ registrations across 11 events. Developed a robust MERN stack application with features like unique ZenID generation for participants, high traffic handling with zero downtime, and a fully responsive user interface.

Maadhyam

April 2025 - April 2025

Donation Platform (Paid Collaboration)

ReactJS, TailwindCSS, MongoDB, NodeJS

• Developed a full-stack donation platform connecting donors and recipients, delivered in 48 hours. Implemented multi-role system, CRUD operations, real-time notifications, advanced search & filtering, interactive dashboards, secure authentication, responsive UI, role-based access control, and real-time data sync.

Skills

Languages:

C, C++, Python, SQL, Javascript,

Technologies & Tools:

HTML5, CSS, UI/UX, Bootstrap/TailwindCSS, ReactJS, NextJS, NodeJS, ExpressJS, MongoDB
